

x.news wins this year's prestigious TVB standout AWARD

Pinkafeld, Austria, 10/21/2016

x.news information technology is very excited to announce that they received the coveted **TVB Award** in the category **Best of show @ IBC2016**.

Nominated in the same category were The Mediabank SaaS product, Make.tv and Bridge Technologies.

The TVB Award is the annual showcase of the media industry's success stories. Last night, more than 200 media and entertainment industry professionals gathered for this year's gala ceremony in the Grand Connaught Rooms in London, celebrating those pushing the boundaries in digital content production.

Shown here: **Thomas Böcskör**, Head of Service and **Philip Pock**, Head of Development at x.news information technology gmbh

About x.news

x.news information technology gmbh is the company behind the award-winning on-demand solution for the modern newsroom and enterprise market, running on the Microsoft Azure platform. It is a powerful story research tool that transforms the way journalists work by monitoring the different sources (news agencies, social media sites, web and internal sources) all on one screen. With x.news, journalists can find, follow, collect and share all the latest information to deliver better and faster journalism. For more information about x.news, please visit the company website www.x-news.eu and request a demo version.
