x.news™, our powerful story-research tool, will be showcased at the **Microsoft Booth SL6710**.
Don't miss this opportunity to experience x.news™ live.

About x.news

x.news information technology gmbh is the company behind the award-winning on-demand solution for the modern newsroom and enterprise market, running on the Microsoft Azure platform. It is a powerful story research tool that transforms the way journalists work by monitoring the different sources (news agencies, social media sites, web and internal sources) all on one screen. With x.news, journalists can find, follow, collect and share all the latest information to deliver better and faster journalism. For more information about x.news, please visit the company website www.x-news.eu and request a demo version.
